THE CITY OF TAMPERE

We wait with great expectation and encouragement the celebration of these 49th European Senior Championships 2014 in Tampere. Here the 2006 World Senior Championships took place in 2006 with great success and the whole European family feels encouraged to come back to Finland to enjoy all together the top European Karate annual event.

I want to take this opportunity to recognize the work developed by the Finnish Karate Federation during these last years. It has been always an active and a loyal member from the European and World Karate Federations and have always made things easy inside a positive atmosphere of help and collaboration. With members like the Finnish Karate Federation it is easy to understand the outstanding progress experienced by the EKF along the last years.

The allocation of this big Karate event to Finland is therefore something well deserved by the Finnish Karate Federation and I can say, without any doubt, that these 49th European Senior Championships are going to be a new success of our sport in the Continent, a new success of the EKF thanks to the inestimable contribution of one of its outstanding members as it is the Finnish Karate Federation.

Mr. Antonio Espinos Ortueta
President of The European Karate Federation

Esteemed guests, ladies and gentlemen

I gladly accepted the invitation to be the Patron of the 49th European Senior Karate Championships in Tampere, Finland. Karate, an ancient martial art, developed to a modern fighting sport during the recent decades, is practiced in over 200 countries worldwide. Thus karate can be considered as one of the fastest growing rising sports. Not yet in the Olympic Family, but perhaps some day soon in the future.

Karate rooted in Finland in the 1960`s. Finland has a tradition of success in karate; we have four World, and several European Champions in karate. I hope that we can witness continuation to this record of medals in May 2014 in Tampere.

I wish we can all enjoy of the inspiring atmosphere, outstanding performances, good sportsmanship, and the beautiful city of Tampere in warm spring sunshine.

Welcome.

Mr. Risto Nieminen
President of The Finnish Olympic Committee

THE CITY OF TAMPERE

Welcome to Tampere

Tampere is the second region in Finland and in many ways the first. Tampere is the biggest inland city of Nordic countries. It is well known for its industrial heritage which you can see clearly in our city centre, where the rapids still produce power. A paper factory is still operational in the heart of the city and old red-brick factory buildings have been converted for various cultural and commercial spaces.

We are not only the ice hockey capital of Finland with the first ice hockey hall where the 49. Karate European Championships are being held, but also home to hundreds of sports clubs and a great variety of sports. Martial arts are very popular in Tampere and the Karate European Championships will no doubt increase their popularity even more.

We are proud of our city and hope that you will enjoy your time in Tampere. We are doing the best we can to ensure a memorable experience for all the participants of the Karate European Championships.

On behalf of the city of Tampere I would like to welcome you all: let's make this an event with a lot of exciting stories to tell!

Mr. Olli-Poika Parviainen
Vice Mayor, City of Tampere
Business development, culture and sports

Let the games begin

Finland has the honour, the pleasure and the privilege to host the 49th European Senior Karate Championships Karate in May 2014.

The venue is the same as in Karate World Championships in 2006; the Hakametsa Ice and Sports Palace in Tampere. Now renovated and ready to be the venue for this event. The City of Tampere is a long time and valued partner of the Finnish Karate Federation, and their cooperation made these championships possible in Finland. Tampere is a sports city, and a city of beautiful scenery with easy access. She also has a vivid cultural offering, and the city is vibrant also into the wee hours of the day.

We would like to believe that this event will be a disciplined, exciting and attractive one, and also an exemplary Karate Championships, where all the finest athletes of our sport will gather, compete and show sportmanship of the highest standards. We hope that all the arrangements, including a nice spring weather as ordered, will cherish this major karate event in Europe in 2014.

Welcome to Finland and Tampere!

Mr. Kari Koskinen
President of the Finnish Karate Federation
