# EUROPEAN KARATE

CHAMPIONSHIPS FOR REGIONS

PARIS COUBERTIN / 6 & 7 JUNE 2015

# BULLETIN

## EKF PRESIDENT'S WELCOMING

---

These 13th European Karate Championships for Regions in Paris, Ile de France, are expected to be again a big success after the rather successful experience of a previous edition of this event that also took place in Paris in 2006, and taking as well into account that these Championships have been continuously increasing in size and in quality since then.

The unique opportunity for all European Regions to compete under their own name, flag and personality in an official sport event makes these Karate Regions Championships a rather singular and attractive activity, bringing to the reality historic aspirations that have proved to meet many expectations.

Also, the fact that the organisation of the event will be run by the French Karate Federation is a guarantee of quality and well doing. All European karate will travel to Paris and will have a new opportunity to close ties with the French karate.

This 2015 edition continues counting with the incentive of a new format, with a rather imaginative and successful proposal implemented in 2010 that includes the youth categories from 14 to 17 years.

In the name of the big European Karate family, I want to thank you for your inestimable contribution. Be sure we all will enjoy unforgettable experiences around karate in Paris.

Antonio Espinos  
President of the European Karate Federation
