## WELCOMING REMARKS

### WELCOMING REMARKS FROM THE CHAIRMAN OF THE ORGANIZING COMMITTEE

The respected President, Sihans, Senseis, colleagues, brothers and sisters in Karate Sports,

In this second edition of the bulletin of “The 9<sup>th</sup> World Junior, Cadet & Under 21 Karate Championships 2015”, some dynamics occur in the preparation of the championship. To mention, the change of the Headquarter Hotel from Premiere Santika Hotel which is fail to operate this year, to Grand Zuri Hotel. This change impacts to the booking state of our colleagues from some National Federation. To deal with, we already prepare Grand Zuri Hotel as the new Headquarter Hotel, while two hotels namely Santika BSD City and Pranaya Suites Hotel which located at the same complex with Grand Zuri Hotel will serve to cater the relocated delegates from the non operational Premiere Santika. We keep on managing all efforts to ensure that you are all well preserved and best served in the championship. I take this opportunity to apologize to you all for the inconveniences.

While the venue *Indonesia Conference & Exhibition (ICE)* is more than ready to home the grand championship, we prepare additional official hotels to anticipate the participation from all members of World Karate Federation. We have now Hotel Mercure Serpong, Soll Marina Serpong, Novotel Tangerang, and Amaris Hotel. The ground transports are also ready to cater you all during the championship from your respective hotels to the venue and the return. We are confident that your participation to the championship and your visit will be professionally fulfilled, enjoyable, and memorable.

I do hope that you do not hesitate to forward any enquiries for your admin process and convenience because we are ready to assist you with.

I thank you all in advance for your kind understanding and cooperation. We look forward to welcoming you in Serpong, Indonesia.

Respectfully,

Lumban Sianipar

## GREETING FROM THE PRESIDENT OF FORKI

I do understand that you might feel unpleasant to the change of the Headquarter Hotel from Premiere Santika to Grand Zuri, please accept my sincere apology. It is our duty to guarantee that your participation remain homy and comfy. We already preserved more hotels to accommodate you and the delegates. The venue, Indonesia Conference & Exhibition Hall (ICE) is very much excited to host the championship, including the infrastructures around. We are delighted that you all will experience the joy, leisure, while maintaining the focus to participate in the championship.

In this second edition of our bulletin, I again would like to extend our utmost gratitude to the President of WKF, Mr. Antonio Espinós and the Executive Committee, for the ongoing supports to host this momentous championship.

My sincere appreciation also to be dedicated to the institutional contribution of the Town Hall of Tangerang District (BSD City), the citizen, the management of ICE Serpong, the general managers of the hotels, the committee for the cooperation and collaboration to support this world karate championship. Together, we will make this championship successful and proudfull!

We are ready to host “The 9<sup>th</sup> World Karate Junior, Cadet and U-21 Champhionships 2015”. We look forward to welcoming you all to Banten province, Indonesia.

Best regards,

General Gatot Nurmantyo

## **GREETING FROM THE PRESIDENT OF WORLD KARATE FEDERATION**

It was very good news for all the components of the World Karate Federation the day that the WKF Congress decided to host these 2015 Championships in Indonesia.

The Indonesia Karate Federation, FORKI, is the first National Federation in Asia to have hosted a Premier League event, and will now again take the leadership with the organization of a World Championships.

Our thanks to the President of FORKI, General Gatot Nurmantyo, for all he is doing for the Federation and for the sport Karate in Indonesia; we also want to extend these thanks to the whole team of the Federation.

During the meetings that the WKF team and the team of FORKI have held in order to prepare a successful event, all the components of the WKF team have learnt from a different but equally efficient way of approaching the works, and without any doubt all this is going to serve us for an improved service to this big International Sports Federation as the WKF is.

We all wait impatient for the time to travel to Indonesia and Jakarta to come.

Antonio Espinós

WKF President
