## **References:**

- The competition is organized to the CUP system with shortened repassage (quarter finalist will go to repassage).
- In groups of small boys, small girls, boys, girls and younger cadets (male and female) there are six classes of performing kata: E class (yellow belt), D class (orange belt), C class (green belt) B class (blue belt), A class (brown belt) and an ABSOLUTE category in kata.
- An absolute category in performing kata for younger age categories implies a competition of all qualitative and promising sportsmen. In this category only sportsmen from classes A and B can perform and at small boys and boys, sportsmen from classes C and D can perform.
- Competitors from classes E and D (yellow and orange belts) perform preamateur and amateur katas and they can repeat kata in every third round (they have to know at least two katas) and they can not repeat the same kata successively.
- Competitors from class C (green belt) perform amateurs and teki katas and they can repeat katas in every fourth round (they have to know at least three katas) and they can not repeat the same successively.
- Competitors from class B (blue belt) perform amateur, teki and master katas, in every round a new kata, in fight for medals they can repeat the kata from elimination but not successively.
- Competitors from class A (brown belt) perform master katas, in every round a new kata, in fight for medals they can repeat the kata from elimination, but not successively.
- Competitors on an absolute level in group boys, girls and younger cadets (male and female) perform katas from official Kata list (WKF and KFS), in every round a new kata. Competitors on an absolute level in group of small boys and small girls perform katas from official Kata list (WKF and KFS) and they can repeat kata in every fourth round (they have to know at least three katas) and they can not repeat the same kata successively.
- The competition in kata individually is done in the following way: both contestants perform in the kata at the same time (red and blue), after that judges proclaim the winner.
- Competitors in kata team in groups of small boys/girls, boys/girls and younger cadets male/female can perform kata from official Kata list (WKF and KFS). Competitors in kata team in group of small boys/girls can repeat katas in every three round (they have to know at least two katas) and they can not repeat the same kata successively. Competitors in kata team in group boys/girls can repeat katas in every fourth round (they have to know at least three katas) and they can not repeat the same kata successively. Competitors in kata team in group of younger cadets male/female perform a new kata in every round, in fights for medals they can repeat the kata from elimination, but not successively.
- In kata team, there is only one, absolute level in every age group.
- Kata team has 3 competitors in every age group. Team has been mixed.
- In kata team (small boys/girls, boys/girls, younger cadets male/female), one member of a kata team can be from a younger age category.
- In kata team, in categories of younger cadets male/female in final match it is performed BUNKAI.
- Kumite for boys/girls and younger cadets male/female last 1,5 minutes and are held on the fighting field of size 6x6m
- In kumite team all members of the team must be from an issue age group, a younger can not perform instead of an older.
- The deadline for registration is **03rd May 2021 till 12 o'clock** with a clear delivered legible registration will correct age groups and levels of competitors and teams.
- The deadline for the last correction of the registration is **05th May 2021 till 14 o'clock**.
- If you don't inform about the competitors cancellation from the competition until then, the club is obliged to pay 100% cotisation (without exceptions)
- Disrespect of the schedule increases the cotisation for 100%.
- The organizer will not accept any responsibility (in case of disrespect of a schedule, lack of a necessary documentation or a protecting equipment) and that causes consequences (prohibition of competitors performance, injuries and similar), club accept the responsibility.
- Near the battiefield on parquet there can be only coaches in a sports equipment with a very visible and prominent valid accredited cards.
- All other officers who did not contest the leadership, board members, members of expert committees, managers and quests must be placed on a specially areas and must be visibly prominent valid accreditation.

### **AN IMPORTANT NOTICE:**

**The approach to the playing area can have just licensed coaches or managers with a visibly prominent accreditation and in an appropriate sports equipment.**

- There is no weight tolerance.
- The competitors who is registered for a particular weight category, and who exceeds that weight, has no right to take part in that competition and to get refund of the registration free.
