Mr. Davor Cipek, President of the Karate Federation of Balkan

Dear karate friends,

Following the challenging year when most of the major karate events were canceled due to the COVID-19 pandemic, it is my utmost pleasure to welcome all of you in October to Poreč and Croatia.

After the successful European Karate Championships held in Poreč in May, the Croatian Karate Union has the content to host another significant event, or to be more precise - three events - in the same city.

I genuinely hope that Balkan Karate Championships for children, seniors, and veterans will gather many old and new friends from multiple countries gathered around the Karate Federation of Balkan. I assure you that the Croatian Karate Union and the Organizing Committee of BKF championships will do their best to prepare the event you will genuinely appreciate.

Karate is a noble sport; it requires self-discipline, focuses on awareness, a high level of hygienic navigation, obedience, modesty, mutual respect, and positive thinking. Understandably, the same principles become part of every practitioner's daily life. I wish and hope that you will live and feel the spirit of all these virtues in Poreč as well.

I wish you the best of luck in the matches that expect you. Stay humble after the wins, learn from your losses, and do not forget to create memorable moments in Croatia!

Mr. Slavoljub Piper, Secretary General of the Karate Federation of Balkan

Dear guests,
Dear athletes,
Friends of karate,

It's my great pleasure to welcome all participants of the 23rd Balkan Karate Championships for Seniors and 25th Balkan Karate Championships for Children

Croatia and Poreč are the traditional host a major sporting event such as this competition. Reassemble the whole Balkan in one place; it is a great honor and responsibility for our country.

Accepting the organization of this tournament we wanted to show everyone how karate is positive, mass and popular sport.

We hope that all participants and guests will see and feel the energy, knowledge and hospitality of our people and therefore will constantly return to compete. This event is more than the competition itself. It will be a combination of friendship, art and karate.

I am convinced that Croatia and Poreč, as many times before, are ready to justify the trust.

I wish that this event, for all participants and for the world karate sport, be seen as wordless dialogue in the spirit of sport philosophy. Karate speaks all languages and connects all people and generations, regardless of race, sex, religion and political status.

Let the best win!

1. HOST CITY

The City of Poreč is located on the Istrian peninsula's western coast, in Istria County, Republic of Croatia. Today's favorite tourist destination of many Croatians and Europeans is also known as a city with a thousand-year history. It had been inhabited even in the Neolithic, and the present structure is due to Romans who formed the City two thousand years ago.

At first, the City was the Roman castrum, constructed 200 years before Christ on the small peninsula, which, up until today, stayed the old town's core. The old town Poreč conserved the old street layout, so the main streets of Decumanus and Cardo Maximus are still in their original ancient form. Although the oldest fortifications have not been preserved, the City claims two medieval fortresses on the peninsula's eastern and northern side and many other significant monuments. The most notable landmark is the 6th-century Euphrasian Basilica, a real architectural treasure, which UNESCO protected in 1997 as a World Heritage Site. Moreover, in Poreč you can also find remains of the Roman forum (Marafor) with Capitoline and Neptune Temple and the Romanesque House nearby, the Church of St. Francis, a dozen gothic palaces, a tower at the entrance to the old part of town, baroque palaces, and the baroque Church of St. Mary of the Angels.

Today, the wider Poreč area has approximately 17000 inhabitants, and its municipal area covers 142 square kilometers with 37 kilometers long shoreline. Mediterranean surroundings, a gentle climate, fertile land, and lush vegetation have made Poreč unique and one of the most visited tourist destinations in Croatia. In Poreč, you can choose between as many as 21 Blue Flag beaches that guarantee a clean sea whose quality has been regularly measured and monitored for more than 25 years. Also, of many Poreč's beauties, we must highlight the Lim Bay, ideal for everyone fond of walking, biking, or hiking. The 11-kilometer-long Lim Bay is known for fish and shellfish farming, and if you decide to take a boat ride, dolphins might wish you a warm welcome to our host city.

Last but not least, years of experience in competitions and tournaments, coupled with constant investment in equipping sports facilities, have resulted in Poreč being granted the title The City of Sports. Except for its extensive sports infrastructure, Poreč boasts 34 sports clubs and an estimated 2500 active athletes of all ages.
