MR. DAVOR CIPEK

President of the Karate Federation of Balkan

Greeting from the President of the Karate Federation of Balkan

With immense pleasure and great honor, I extend a warm welcome to all of you to the beautiful city of Ljubljana for the Balkan Karate Championships for Cadets, Juniors, and U21. As the President of the Karate Federation of Balkan, I am delighted to invite you to this exceptional celebration of sportsmanship. The number of participants in this event confirms not only the success of this tournament but also the strength of the Karate Federation of Balkan members,

who invest great efforts in the younger age categories with the aim of a proper future for karate sport.

I also extend my deepest gratitude to the Karate Federation of Slovenia and appreciation to the Organizing Committee, staff, and volunteers, who are investing strenuous efforts to make our event possible. I am sure they will provide excellent conditions for all the participants in and out of tatami.

I am also convinced that competitors and coaches will show high karate skills, honor, respect for the opponent, fighting spirit, and devotion, which is expected from top karatekas.

Until we meet soon in Ljubljana, I wish you a successful preparation period!

Davor Cipek

President of the Karate Federation of Balkan

MR. SLAVOLJUB PIPER

Secretary General of the Karate Federation of Balkan

Greeting from the Secretary General of the Karate Federation of Balkan

Dear guests,
Dear athletes,
Friends of karate,

It's my great pleasure to welcome all participants of the 23rd Balkan Karate Championships for Cadets, Juniors and U21.

Slovenia and Ljubljana are the traditional host of major sporting events such as this competition.

Reassemble the whole Balkan in one place; it is a great honor and responsibility for the Karate Federation of the Balkan.

By organizing this tournament, we wanted to show everyone how karate is positive, mass and popular sport. We hope that all participants and guests will see and feel the energy, knowledge and hospitality of the organizers of this competition and therefore will constantly return to compete.

This event is more than the competition itself. It will be a combination of friendship, art and karate. I am convinced that Slovenia and Ljubljana are ready to justify the trust.

I wish that this event, for all participants and for the world karate sport, be seen as wordless dialogue in the spirit of sport philosophy. Karate speaks all languages and connects all people and generations, regardless of race, sex, religion and political status.

Slavoljub Piper

Secretary General of the Karate Federation of Balkan

MR. BORUT STROJIN

President of the Karate Federation of Slovenia

It is a great honor for the Karate Federation of Slovenia, as well as for me personally, to host such a prestigious event as the 23rd Balkan Karate Championship for cadets, juniors, and U21 categories.

The competition will take place in Slovenia's capital city, Ljubljana. Our aim is to set a stellar example in terms of organization and hospitality. The region represented by the members of the Balkan Karate Federation boasts a significant number of highly

successful young karateka, many of whom have also excelled at the European and World Championships. With this in mind, I am confident that this competition will be a true celebration for all karate enthusiasts.

Our primary goal is to ensure your comfort within our community and throughout the event. Simultaneously, we hope to relive the spectacular sports moments created by our talented young competitors. Welcome to Ljubljana. We are fully committed to providing you with the utmost comfort and a memorable experience.

Best regards,

Borut Stojin

President of the Karate Federation of Slovenia

A people friendly city

As its inhabitants and numerous visitors will tell you, Ljubljana is, indeed, a people-friendly city. Categorized as a medium-sized European city, it offers everything a metropolis does yet preserves its small-town friendliness.

Its geographical position in the centre of Europe has determined Ljubljana as a natural meeting place for merchants and soldiers as well as - and more than once - peacemakers. The victors of the Napoleonic wars selected this peaceful city as the site of the Holy Alliance congress, which in 1821 sealed the European political geography for years to come.

The old meets the new

In Ljubljana the old meets the new; and it seems that history has spent all of the settlement's five millennia preparing it to become the nation's capital. It has managed to retain traces from all periods of its rich history; from the legacy of Roman Emona; through to the Renaissance, Baroque and Art Nouveau periods characterised in the house fronts and ornate doorways of the city centre, the romantic bridges adorning the Ljubljanica river, the lopsided rooftops and a park reaching deep into the city centre. Here eastern and western cultures met; and the Italian concept of art combined with the sculptural aesthetics of Central European cathedrals.

- One of Europe's top new culinary destinations
- A city with a green soul

Ljubljana Tourism

LPP Ljubljanski potniški promet

The time tables for the bus rides will be available on <https://www.karate-zveza.si/> during the time of the competition

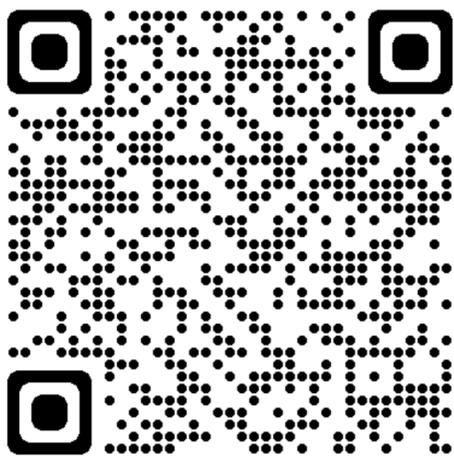

The most important task of the public company Ljubljanski potniški promet d.o.o. is to provide safe, reliable and smooth-running public transport in the area of the entire City Municipality of Ljubljana and sixteen suburban municipalities. The density of the network facilitates easy connectivity between different urban quarters, making daily commutes more convenient for passengers.

Through the acquisition of new, modern buses, regular driver training, optimization of schedules, and many other projects and measures for sustainable mobility, we continually enhance the quality of public transportation services. As a result, an increasing number of people are consciously choosing public transport in Ljubljana and its vicinity. All urban buses are air-conditioned, low-floor, and mostly equipped with ramps for individuals with disabilities. They are standardly fitted with audible and visual announcements of stops, and 125 buses are also equipped with video screens indicating transfer points to other lines. The majority of urban buses are equipped with interior cameras. This proactive approach enhances passenger safety by providing a sense of security within monitored areas.

Ljubljanski potniški promet actively responds to technological changes, making the use of public transport more convenient for all generations. Through the Urbana app, you can plan your routes and access information about all forms of urban mobility. In the city center, electric vehicles Kavalir and the Urban train are available. The Kavalir service is free and intended for those with limited mobility, providing easier access to important destinations within the pedestrian zone.

Exploring the city with the Urban train is an attraction you shouldn't miss in Ljubljana. The circular route features 10 stations, including the city's major landmarks. Urban starts its circular route in the vicinity of the Town Hall, it goes to the Ljubljana Castle, then takes you alongside the banks of the Ljubljanica River over the Trnovski pristan Embankment, through the contemporary centre of Ljubljana, past the Opera, the Modern Gallery and the Prešeren Square with the Triple Bridge, returning to the starting point. The main city attractions are introduced by an audio guide available in fourteen languages (Slovenian, English, German, Italian, Croatian, French, Spanish, Russian, Portuguese, Dutch, Chinese, Greek, Arabic, and Hungarian).

Ljubljanski potniški promet is recognized as a model of good practice in creating sustainable and interconnected urban mobility. Through its dedication to the environment, innovation, and passenger comfort, it significantly contributes to a higher quality of life in Ljubljana.
