21. CITY / COUNTRY INFORMATION

21.1 About Salzburg

Salzburg, a picturesque city nestled in the Austrian Alps, captivates visitors with its rich history, stunning architecture, and vibrant culture. Known as the birthplace of Mozart and the setting for "The Sound of Music," Salzburg offers a blend of musical heritage and natural beauty. From exploring the medieval streets of the Old Town to marveling at the imposing Hohensalzburg Fortress, there's something enchanting at every turn. With its charming cafes, scenic riverbanks, and majestic mountains, Salzburg is a destination that delights the senses and leaves a lasting impression on all who visit.

21.2 How to get to Salzburg

Getting to Salzburg is relatively easy, thanks to its well-connected transportation network. Here's a simple guide on how to reach this charming Austrian city:

By Air:

Salzburg Airport (W.A. Mozart Airport) is the main gateway for international travellers. It's located just a few kilometers west of the city center. Direct flights from major European cities are available, making it convenient for travellers arriving from abroad. From the airport, you can take a taxi, shuttle bus, or public transportation to reach the city center.

Arriving at Munich Airport: Munich Airport, also known as Franz Josef Strauss Airport (MUC), is one of Germany's largest and most well-connected airports. Upon arrival, follow the signs to baggage claim and passport control if you're arriving from an international destination.

By Train:

Salzburg Hauptbahnhof (main train station) is a major rail hub with frequent connections to domestic and international destinations. The station is well-served by trains from Vienna, Munich, Innsbruck, Zurich, and other European cities. If you're traveling within Austria, consider using the efficient ÖBB (Austrian Federal Railways) network. From the train station, you can easily reach the city center by bus, taxi, or on foot.

Transfer from Munich to Salzburg by Train: The most convenient way to reach Salzburg from Munich Airport is by train. The airport has its own train station called "München Flughafen Terminal," located directly beneath Terminal 1. From there, take the S-Bahn (suburban train) line S1 or S8 towards Munich Hauptbahnhof (main train station). The journey to the main station takes approximately 40-45 minutes.

21.3 Practical Information

Language: The official language of Austria is German, and German is spoken widely in Salzburg. However, English is also commonly spoken, especially in tourist areas, hotels, and restaurants. You should have no trouble communicating in English during your visit.

Time Zone: Salzburg is in the Central European Time Zone (CET), which is UTC+1. Daylight Saving Time (DST) is observed from the last Sunday in March to the last Sunday in October when the time is shifted one hour forward (UTC+2).

22. GENERAL INFORMATION

22.1 Currency and Exchange

The currency used in Salzburg, and throughout Austria, is the Euro (€). ATMs are widely available in the city, and credit cards are accepted at most shops, restaurants, and hotels. However, it's always a good idea to carry some cash for small purchases and transactions.

22.2 Business Hours

Most shops and retail stores in Salzburg are open from around 9:00 AM to 6:00 PM or 7:00 PM, with some variation depending on the individual store. Some larger stores may stay open until 8:00 PM or later, especially in the city center.

Supermarkets and grocery stores usually operate from early morning until late evening, often until 8:00 PM or 9:00 PM.

Many cafes and bakeries in Salzburg open early in the morning, around 7:00 AM or earlier, to serve breakfast. Restaurants typically serve lunch from around 12:00 PM to 2:00 PM. Dinner service usually starts around 6:00 PM or 7:00 PM and can continue until 10:00 PM or later, especially in the city center. However, it's a good idea to check specific restaurant hours and make reservations in advance, especially during peak tourist seasons.

22.3 Electricity

In Salzburg, as in the rest of Austria and much of Europe, the standard voltage is 230 volts and the frequency is 50 Hz.

22.4 Alcohol

The legal drinking age in Austria, including Salzburg, is 18 years old. It's illegal for anyone under this age to purchase or consume alcoholic beverages in public places.

22.5 Tobacco

Austria has strict smoking regulations, which include designated smoking areas in public places such as restaurants, bars, and public transportation. Smoking is generally prohibited in enclosed public spaces, including public buildings and workplaces.

22.6 Safety in the city

Salzburg is generally a safe city for tourists. However, as with any destination, it's essential to take common-sense precautions to protect yourself and your belongings from petty theft or pickpocketing, especially in crowded tourist areas.

23. OMISSIONS

As regards that the specific items are not expressly foreseen in the present bulletin reference is to be made to the general rules and guidelines contained in WKF Regulations.
