## 1. WELCOME MESSAGE

### 1.1 Greeting from the Head of the host NF

I extend my greetings, together with those of the Federation I am honored to represent, to all the protagonists of this event.

The welcoming city of Jesolo is preparing to host another successful edition of the Karate 1 – Youth League Venice, which I am confident will once again confirm the high standards of quality that distinguish us.

The 2025 edition of this event represents an occasion of great prestige, which has become an unmissable point of reference for Karate enthusiasts. The constant growth in technical and organizational standards, the large number of athletes and nations expected, as well as the strong presence of spectators, are the clearest testimony to the value of this sporting celebration.

A special word of thanks goes to all the young male and female athletes who will bring this competition to life and who represent the future of our sport. I wish everyone to face this competition with commitment and fairness, turning every challenge into an opportunity for growth, both athletically and personally.

My gratitude goes to the Organizing Committee of Società Multisport Veneto, to the FIJLKAM Regional Committee and its President, Vladi Vardiero, and to all the volunteers involved in making this sporting event possible. I thank you all for the perseverance and passion you dedicate to this complex endeavor. I am certain that this edition, too, will live up to expectations.

I also extend my greetings and thanks to the athletes and their coaches, the referees, the managers of the sports clubs, the international delegations, the spectators, and the local institutions. A particular acknowledgment goes to the Municipal Administration of Jesolo for its invaluable cooperation and the sensitivity it has shown towards Karate: the fruitful collaboration nurtured over time reflects a precious synergy that enriches both the local community and Sport itself.

I conclude by wishing great success to all the competitors, and I hope that this participation will be the first step towards ever more ambitious achievements.

Giovanni Morsiani

## 1.2 Greetings from the Italian Karate Federation President and member WKF - EKF Executive Committee

It is with great enthusiasm and deep pride that I extend my warmest greetings to all participants of the WKF Karate 1 – Youth League Jesolo 2025—an event that, year after year, continues to stand out as one of the most anticipated and prestigious fixtures on the international youth Karate calendar.

Once again, the welcoming city of Jesolo, deeply rooted in the values of sport, opens its doors to thousands of young athletes from all over the world. Their energy, passion, and determination are the driving force behind this competition and a clear reflection of a global movement that continues to grow and evolve.

The Youth League is more than just a tournament. It is a valuable opportunity for learning, growth, and personal development for the next generation of Karateka. Every kata, every bout on the tatami is a step forward on both their athletic and personal journey. These young athletes proudly embody the principles of our discipline: respect, determination, self-control, and a spirit of sacrifice.

The success of an event of this scale would not be possible without the synergy of many dedicated entities. I would like to sincerely thank the World Karate Federation and President Antonio Espinós for the trust placed in Italy, as well as FIJLKAM for its institutional support, the FIJLKAM Veneto Regional Committee led by President Vladi Vardiero, and the Multisport Veneto Association, the true operational heart of this event.

A heartfelt thank you also goes to the City of Jesolo and the Region of Veneto, for their ongoing commitment to investing in sport and youth with foresight and passion, creating the perfect conditions to host international-level events.

To all athletes, I wish you to experience this event with enthusiasm, courage, and respect. May this Youth League be not only a competition but also a memorable moment of growth and sharing.

To all of you: welcome to Jesolo, welcome to the great family of Karate.

Davide Benetello

WKF and EKF Executive Board

FIJLKAM KARATE President

### 1.3 Greetings from FIJLKAM, the Italian Wrestling Judo Karate Martial Arts Federation, President Veneto Region and Founder of Multisport Veneto

As President of the Organizing Committee, I will strive to do my best at taking on this 7th edition of the Youth League in Italy!

The previous edition in 2024, which took place in Jesolo (Venice), was one of the tournaments of the Youth League WKF competition, it focused on youth categories whose athletes will be the future Youth Olympic competitors.

4,000 athletes from all over the world gave us their trust and participated in our competitions!

The continuous growth in participants in events organized by the Organizing Committee, which I'm honoured to be in charge, confirms that working with professionalism and accuracy is always rewarded. Also, thanks to these achievements, our trust is retained by the FIJLKAM (our national federation) and the WKF, World Karate Federation.

It is for this reason that we will keep working harder to improve our services.

The Karate1 WKF Youth League will be hosted in Jesolo (Venice) at the new big and modern sport hall, which is a welcoming and spacious indoor sports arena. A great deal of important international sport events is taking place here every year.

I dutifully must thank the WKF President, Antonio Espinos, who gave us the opportunity to show to the world our abilities in organizing such important events.

Furthermore, a special thanks goes to the Italian Karate Federation and its members, the Fijlkam President, Giovanni Morsiani and the WKF/EKF Executive Member and Fijlkam Karate President Davide Benetello whose contributions made possible to present this project to the World Federation.

In conclusion, I would love to wish you a wonderful experience in Jesolo!

I am sure this event will be great, full of sport whose fundamental principles and values, such as Respect and Tradition, will be standing.

This is the Karate Sport and Karate Do we want!

Vladi VARDIERO

President of the FIJLKAM Veneto

President of the LOC

## 24. CITY / COUNTRY INFORMATION

### 24.1 About VENICE

#### *Considered the most beautiful city in the world*

It is an incredible city that you can explore either on foot or by boat and that's made up of 118 islands joined by more than 400 bridges and separated by canals which act as streets.

It is also fascinating for the many art treasures that it holds: churches, palaces, museums, bridges:

we can almost say that the entire city is a unique work of art built throughout centuries that continually faces the difficulties spurred by the lagoon's unstable nature.

#### *The monuments*

Venice is in itself a work of art, an authentic box of art treasures coming from all around the world. Travelling along the Canal Grande on a boat will be an unforgettable experience that will allow you to admire the refined palaces and the wonderful churches. Then there's the heart of Venice, St. Mark's square, one of the most beautiful places in the world with the marvelous Basilica, the Campanile and the Ducal Palace...

The works of art that are kept in the churches and museums, but also the less well known places that you may come across as you walk between bridges and squares, are incredibly fascinating and full of charm.

#### *The history*

When in the fifth century a.C. the barbarians invaded the Po Valley, the people took refuge on the islands of the lagoon. After this episode, about 421 a.C., Venice was founded. The city developed around one of the oldest centres, Rialto, and quickly became a rich merchant harbour, an important link between the west and east markets. At the end of the thirteenth century Marco Polo started to trade with China, though the Serenissima Republic with its

institutional system based on the "dogato" was already spreading towards the mainland thus starting centuries of prosperity and of shrewd government. The decline arrived in the sixteenth century when the trade routes to America were moved and begun to favour the Atlantic harbours. In 1797 Napoleon conquered the city and gave it over to Austria; Venice stayed under the Hapsburg rule up to 1866 when it became part of the Italian kingdom.

#### *The Lagoon and its islands*

The Venetian lagoon has its own very special environment in which the people and their jobs are in direct contact with the laws of nature; a landscape that in a few hours as the tide turns completely changes its appearance, an environment where the flora and fauna are extremely fascinating. And from the quiet water of the lagoon rise the fascinating islands of Murano, Burano, Torcello, St. Francesco del Deserto, St. Lazzaro degli Armeni, Pellestrina, Chioggia
